## A NEW DESIGN FOR LIVING (PAPERBACK)

Penguin Putnam Inc, United States, 2011. Paperback. Book Condition: New. Reissue. 210 x 141 mm. Language: English . Brand New Book. Nothing lies beyond the scope of your ability. The new design for living you create has no limitations. Literally all the good things that life and the world offer are yours to have and enjoy. But you need to recognize them, accept them, and incorporate them into the new design you are now going to create. In its scope, and in its effect on readers, A New Design for Living is second only to Ernest Holmes s magnum opus, The Science of Mind. In this cherished spiritual classic, Holmes demonstrates that wishes-from health, love, and friendship to the career and home of your dreams-are not only possible to realize but are within each person s very reach. At last available again, this galvanizing book teaches how to turn mind-power into an infinitely positive force-the very force of creation itself. Harmonize with the beauty and intelligence of the universe, watch the magnificence of life transform before you, and awaken to the nature of reality. With this newfound power of transformative thinking, every goal is attainable.
