Full Circle, New Delhi, India. Softcover. Book Condition: New. At the Feet of A Himalayan Master unfolds the secrets of personal sadhana and direct contact with a great guru that are rare to find in any published literature, and with contemporary and western disciples facing the modern world and all of its limitations. The book helps us understand the many facets and the real nature of genuine spiritual practice in the Himalayan tradition and how it can transform the mind and heart."Dr. David Frawley, author, Yoga and Ayurveda, Mantra Yoga and Primal SoundI met Swami Rama in the early 1970s soon after he first arrived in America. Through the years he often reminded me that we were spiritual brothers because our respective guru-lineages originated in the same region of the Himalayas. I am pleased to recommend this edition of At the Feet of a Himalayan Master (and other editions) in which Swamiji's engaging personality, direct manner of teaching, and life of selfless service is reverently described by some of his disciples."Roy Eugene Davis, disciple of Paramahansa Yogananda and Director of Centre for Spiritual Awareness, Lakemont, Georgia In the three sections of this volume, Gus Gatto, Eileen Diorio and B. Maithili describe how Swami Rama impacted their lives in ways that seemed at times inscrutably rigorous and challenging, and at times immensely gentle and loving, and how they each, often on recollection, were able to assimilate and understand their experiences in ways that helped them address important obstacles in their further development."
