HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Twinkle Twinkle Little Spy, Len Deighton, A Soviet space scientist defects to win academic freedom, but western intelligence has other plans for him, and sends an unnamed spy - perhaps the same reluctant hero of The Ipcress File - to look after him. But what follows is a blood-streaked trail across three continents. Twinkle, Twinkle Little Spy reveals a more mature Deighton exploring relationships between couples: professional rivals and private allies, spy and counter-spy, master and slave. Some are drawn together mutual comfort, others for exploitation. With an uncanny feeling for landscape, he begins his story in the awesome emptiness and remorseless heat of the Sahara desert. From there a trail of blood leads to Manhattan, Paris, Dublin and halfway back across Africa. In a narrative as compelling as it is tantalizing, Deighton surpasses all his previous triumphs and holds the reader spellbound to the very last page. This new reissue includes a foreword from the cover designer, Oscar-winning filmmaker Arnold Schwartzman, and a brand new introduction by Len Deighton, which offers a fascinating insight into the writing of the story.
