Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is an indescribable freedom that comes from physically deceiving the world. If you are a fan of Halloween then you know the euphoria of pretending to be Frankenstein or a prostitute or Spiderman or Wonder Woman or a tiger or Dorothy or any old somebody or something that you are not. To be free of social constraints, to melt the world as you know it for an evening, to be tantalized by uniqueness, causes tens of millions of people to be filled with glee on the last day of October. Some people spend a week's pay and a year's plotting to come up with the perfect costume that will blow their friends' minds away. For some reason, people experience untold amounts of elation when they get to pretend to be somebody who they are not. Multiply that by 50,000 and you would come close to the level of euphoria you'd reach if you got to actually parade around in the skin of somebody else for a few days. Just imagine if, all of a sudden, with the mere injection of a needle, you became Asian or a midget or a man. A quick sting in the ribs and you're blonde or pretty or have an Afro. Just imagine becoming any of these combinations and infinitely more. Since you are no longer actually you, you are immediately freed up to talk to whomever you want to talk to without fear of them judging you. All of a sudden, you can take revenge on enemies, commit crimes and be lascivious without fear of repercussions. All of a sudden, you are free. Imagine how much...
