GOLIATH: LIFE AND LOATHING IN GREATER ISRAEL

Nation Books, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "There is no dearth of loathing in this book. there is much truth in its gruesome vignettes of modern Israeli hypernationalism in action." David Shulman, The New York Review of Books "[A] bold, personal and unapologetic book." Salon " Goliath is a particular kind of expos-minded, documentary-broadside journalism whose place we generally recognize and respect. Blumenthal has made a sobering prima facie case that there are extreme forces [within Israel's current political-social dynamics] to be aware of, and reckoned with more fully than American discourse usually does." James Fallows, The Atlantic " Goliath is.an important book. Whereas others have pierced the myth of Israel as a besieged beacon of democracy, Blumenthal punches a hole through it.In the face of such moral bleakness, Blumenthal does offer moments of hope, most notably in the stories of everyday Palestinian and Jewish heroes and heroines who populate the book." Nadia Hijab, The Nation "As he did in Republican Gomorrah: Inside the Movement That Shattered the Party , in which Blumenthal swam in America's far-right sea to see what he might find, in this book he dives deep into Israel's far right, spending chapter after chapter letting the extremist partisans of modern Israel speak for themselves." The Middle East Policy Council " Goliath .shows in forensic detail the reality of the Israeli mainstream's embrace blatant racism against Arabs and Africans." The Guardian "[A] heart stopper. Goliath is a threat to the Israeli status quo.because it tells too many inconvenient truths." Larry Gross, Director of the USC Annenberg School for Communication "Max Blumenthal's Goliath: Life and Loathing in Greater Israel is the most important political and investigative journalist book of 2013." TarheelDem, Firedoglake Reader Diaries "[A] bold and shocking...
