Devonshire family, and a small pension from Charles II., exceeded the wants of his philosophic life. If he chose to compute his income, Hobbes says facetiously of himself, in French sols or Spanish maravedis, he could persuai e liimself that Croesus or Crassus were by no means richer than himself; and when he alludes to his property, he considers wisdom to be his real wealth i-- An quam dives, id est, quam sapiens fuerim? He gave up his patrimonial estate to his brother, not wanting it himself; but he tells the tale himself, and adds, that though small in extent, it was rich in its crops. Anthony Wood, with unusual delight, opens the character of Hobbes: Though he hath an ill name from some, and good from others, yet he was a person endowed with an excellent philosophical soul, was a contemner of riches, money, envy, the world, etc.; a severe lover of justice, and endowed with sole objects of his thoughts; and notwithstanding that panic which so often disturbed them, he wrote and published beyond his ninetieth year. He closes the metrical history of his life with more dignity than he did his life itself; for his mind seems always to have been greater than his actions. He appeals to his friend for the congruity of his life with his writings; for his devotion to justice; and for a generous work, which no miser could have planned; and closes thus: -- And now complete...
