That no names occur in this list the sites of which are not on the map, and all places are designated about which anything Certainly is Known. Those not known are entirely omitted. So that if a name does not occur in this list, the reader may take it for granted that the place or site is Not Known or has Not Been Discovered at the date of this edition. 2. All the names on the map in Square Black Letters are to be found in that exact spelling in the latest and approved editions of the Bible, and are generally of size or of importance in proportion to the size of the type or of...
