Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

EYEWITNESS ACCOUNTS MY LIFE AS AN EXPLORER

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Eyewitness Accounts My Life as an Explorer, Roald Amundsen, Written by the people who could say 'I was there!' My Life as an Explorer is a classic of Polar literature, written by the first man to set foot on the South Pole. Amundsen's passion for exploring first led him to the Antarctic in the 1897 - 99 Belgian expedition and then led him on a journey around the top of Canada to prove the existence of the North West Passage. After the First World War, Amundsen became only the second man to travel around the top of Siberia from Atlantic to Pacific oceans, then flying over the North Pole by airship. He died in 1928, disappearing while searching for the missing airship Italia. His body was never recovered. Written a year before his death, this is his Eyewitness Account of the exploration of both Poles.
