Brand New Book ***** Print on Demand *****.Humanity had finally received an answer to the age old question. Are we truly alone? The answer was an undeniable and resounding NO! Unfortunately, Earth s First Contact with an alien civilization has been interrupted by human quarrelling and mistrust. Hostilities have broken out above and on the surface of Earth. The alien visitors have arrived in a time of high tension and have front row seats to humanity s oldest profession. WAR! Major Myles Webb of the American Federated States Space Marines is once again caught between his loyalty to the AFS and the trust the aliens have placed upon him, which he dares not betray. He is the only person that has full access to the aliens, who now call Mars home. He also has their full trust in being the mediator between Humanity and the Hee Umana by being appointed as Earth s Ambassador. But with hostilities breaking out on the planet s surface, he must also balance his responsibilities of being an AFS Space Marine and newly appointed Sub-Commander within the alien ranks. A role he was given without preamble and is expected to perform, while the aliens remain within the Solar System. He also has to figure out why the aliens are in a hurry to increase their numbers and military strength? All of their preparations suggest that they are worried about something, an unknown which they refuse to share the secret with their human counterparts. All Major Webb knows, it is something that even frightens their current visitors-the Hee Umana. An alien race that knows all about war and is harden to face the unknown, but this unforeseen force is even something...
