

Going with the Grain: Making Chairs in the 21st Century (Paperback)

By Mike Abbott

Living Wood Books, United Kingdom, 2013. Paperback. Book Condition: New. 2nd Revised edition. 272 x 210 mm. Language: English . Brand New Book. This book is about how to make a chair - simply and with tools you can easily obtain or construct for yourself. In 1985, when Mike Abbott started running courses using the traditional tools and techniques of the Victorian chair-bodgers, many people said it was about time he moved into the 20th Century. Following the success of his first two books Green Woodwork and Living Wood, Mike's third book shows that he has now moved happily and unashamedly straight into the 21st Century. With the help of over 600 colour photographs he guides you, step-by-step, through: The tools and techniques needed for cleaving, shaping and assembling a chair Constructing a few simply homemade devices to aid the process Making 3 stools and 3 chairs, each with its own unique character Going with the Grain is not written for cabinet-makers (although they are welcome to read it too) - the techniques described in this book have as much in common with cabinet-making, as does a jacket potato with haute cuisine. It is written for anyone who shares...
