Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Picture yourself in a future shared with real-life Olympians and engineered humans designed to order. What do you do when: You build worlds; you re an entertainment mogul; and you are fascinated by ancient Greek mythology? Answer: You make an entire planet your stage set. Hellas is an engineered world created by the wealthy terraformer Panagopoulos and his hallowed team of genemasters. Complete with centaurs, satyrs, heroes, gods, goddesses-and even a real-life mermaid, this is a story that focuses on the life of the Olympian genotype Apollo. What do you do when the project starts to spiral out of control? Do you pull the plug? Send in the warships? Now-imagine that your name is Apollo. You are beginning to find out that things are not as they appear in a world where you are a god. Meanwhile, in creating the Olympians, it is becoming evident to their makers that they may have achieved more than they ever planned.
