A practical English and Spanish therapy product and a fun way to teach kids what to do when they're angry, anxious or frustrated. Each of the 24 illustrated cards describes how you can soothe yourself with a different method: physical, auditory, verbal, visual, creative, self-nurturer and humor. Another 16 cards provide step-by-step instructions for games and activities to use with the calming cards. Written by Elizabeth Crary in both English and Spanish, these cards and the accompanying instruction sheet explain how therapists, teachers, and parents can introduce the cards and the concept of self-calming.
