A teenage boy on trial can see and heal the human light fields, becoming a miracle healer while the world argues over his case. Sequel to The Little Universe. A soul transfer has Jim awoken in the hospital in another persons body. He has no memory of his past life or awareness of the crime committed before the near-fatal accident, a felony done by the bodys previous occupant. Already a person of global interest due to the case and his miraculous recovery from brain-death, Jim still has a more stunning surprise. The crash has damaged his pineal gland, the very center of his brain, resulting in overproduction of the neurochemical Dimethyltryptamine (DMT). Also called the spirit molecule for the profound hallucinations DMT causes, Jims elevated levels enable him to see the lights within living things, including the auras and chakras of people. In time, Jim learns to manipulate these lights and correct imperfect flow to the way of natural design. The effect is spontaneous healing. His nurse, Vicki, discovers the gift. Her experiments confirm Jim can heal other patients, even those who havent been cured by the worlds best doctors. As people become aware of his healings, a rumor surfaces in the hospital and around the globe: that Jim is a messiah. All the while hes on trial for a crime he didnt commit. Does he deserve a life sentence, or is he a miracle healer the world desperately needs One things for sure: everyone has an opinion. Nurses want to sleep with him, endorsements come from every angle, skeptics come to debunk him, patients need his healing touch, and still others want to train him to become the leader he...
