## State and Local Public Finance (Hardback)

---

By Ronald C. Fisher

Taylor Francis Inc, United States, 2015. Hardback. Book Condition: New. 4th Revised edition. 246 x 174 mm. Language: English . Brand New Book. Now in its 4th edition, State and Local Public Finance provides a comprehensive and sophisticated analysis of state and local government public finance practices and issues, using the basic tools of economics. For this new edition, there is a focus on the most important services provided in the state-local sector: education, health and welfare, public safety, and transportation. This textbook provides an examination and analysis of public finance practices and problems in a federal fiscal system, focusing on the fiscal behaviour and policies of state and local governments. The author presents detailed descriptions of significant institutions. Modern economic theory is applied to examine the way these institutions are used to produce and finance services, and to provide evaluation of alternative policies. Although the emphasis is on U.S. institutions and issues, much of the economic analysis can be applied to any federal system or to fiscal decentralization. This fully revised new edition sees updates throughout to data, topics, and applications. The Headlines and Applications sections reflect the most current policy issues affecting state and local governments. These include...
