

## The Eagle and the Arrow (Paperback)

Filesize: 6.05 MB

### ***Reviews***

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

Battered Suitcase Press, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Being the director of a secret agency isn't easy; we have almost no budget, all of our agents are stupid kids and extremists, and my boss is a corrupt senator, but it's a decent job. Or it was, until a few months ago, when an important package disappeared and one of our agents went rogue, killing three men. Now she's in Guantanamo, and I've got orders to deal with her. Personally. In *The Eagle and the Arrow*, the smashing sequel to *Beware the Hawk*, A. J. O'Connell proves once again that she is one smart, savvy writer. O'Connell's prose sizzles with the dark humor and satire that are the hallmarks of the best contemporary noir. *The Eagle and the Arrow* is witty, fast-paced and, most of all, fun. O'Connell creates a cast of lively, engaging characters. The plots twist in unexpected ways and, at the conclusion, you'll be thoroughly and totally hooked. You'll pray that O'Connell is hard at work on the next novella in this series—a series you'll hope will never end. —Hollis Seamon, author of *Corporeality* and *Somebody Up There Hates You* In *The Eagle and the Arrow* is a spring-loaded thriller. O'Connell's taut, tart tale is packed with wickedly rich twists and turns, all of them navigated by a narrator whose cool wit and hard-boiled insights keep you smiling even as the cold sweat pools at the base of your spine. —Rachel Basch, author of *The Passion of Reverend Nash* and *Degrees of Love*.
