Comments by Recognized Authorities ACTs four What Works in Student Retention studies consistently conclude that a first year orientation course is a major contributor to student retention from the first to second year. Additional research indicates that goal commitment, motivation and self-management are nearly as important to student success in college as academic ability. While most orientation texts focus on acculturation and surviving the first year, attention to self-management and goal-setting is woefully lacking. The Five Goal College Plan fills that void. It is an orientation text unlike any others - providing students with a blueprint, replete with tools and templates to manage their paths through college and into successful careers. I recommend it highly! Dr. Wesley Habley, Assistant Vice President, Strategic Partnerships ACT, Inc. Iowa City, Iowa- (national authority on student retention) Dr. Mulligan understands the connection between career planning, a college education and having a successful career journey. He is realistic, strategic, and tactical in his approach. Dr. Mulligan identifies five goals and creates tasks that need to be completed to meet each goal. If college students meet the five goals, they can truly say their college education served as a career and life launching pad for them. The five goals include: Developing and Executing a Strategic Plan to Graduate on Your Time Line with Little Debt Assessing Yourself as a Self Manager Leader and Developing a Growth Plan - Three Assessments that Measure One as a Self Manager and Leader are in the Book Assessing Yourself as a Career Manager and Developing a Growth Plan - A Career Management Competency Survey is in Book for Students to Take and Review Results Assessing Yourself and the World of Work and Choosing a Tentative Career Field and...
