

Arabs in History (Paperback)

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Oxford University Press, United Kingdom, 2002. Paperback. Book Condition: New. 6th Revised ed.. 192 x 124 mm. Language: English . Brand New Book. Whoever lives in our country, speaks our language, is brought up in our culture and takes pride in our glory is one of us. Thus ran a declaration of modern leaders of Arab states. But what exactly is an Arab, and what has been their place in the course of human history? In this well-established classic, Professor Lewis examines the key issues of Arab development - their identity, the national revival which cemented the creation of the Islamic state, and the social and economic pressures that destroyed the Arab kingdom and created the Islamic empire. He analyses the forces which contributed to that empire's eventual decline, and the effects of growing Western influence. Today, with the Arab world facing profound social and political challenges, it constitutes an essential introduction to the Arabs and their history.
