The White Assassin: Book II in the Nightshade Chronicles

By Wagner, Hilary.

Holiday House. 1 Cloth(s), 2011. hard. Book Condition: New. It is three years after the successful rebellion in the underground world of the Catacombs, in this second book in Hilary Wagner's animal fantasy series for readers 9 to 13, and a sense of peace has settled over Nightshade City but it is a false one. Former lab-rat Billycan, the "White Assassin," has been found deep in the southern swamps, where he now rules a savage horde of rats eager to overrun Nightshade City and claim it for their own. With the help of an ancient colony of bats and an uneasy alliance with the swamp snakes, Juniper and his Council set out to thwart Billycan's plans. But an old secret is revealed one that shakes both Billycan and Juniper to the core and the fate of Nightshade City depends on Juniper's decision: should he now help his mortal enemy?" The second installment of the Nightshade Chronicles doesn't disappoint. Many surprises are in store in this volume, surprises that will cause the rats and readers, too, to re-evaluate their perceptions of family, loyalty, justice and culpability. Wagner's world-building carries readers through these heavy themes with ease." Kirkus Reviews 242.

Reviews

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.

-- **Devante Mante**

This is the greatest book I have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publishes this ebook.
