Reviews

Definitely among the best ebook I have actually go through. I have read and i also am confident that i am going to likely to read once again once again later on. I am just very happy to explain how this is actually the finest publication i have read in my own daily life and could be he greatest pdf for at any time.

St. Martin s Press, United States, 2015. Paperback. Book Condition: New. Reprint. 190 x 107 mm. Language: English . Brand New Book. How far would you go for Rome? Carthage, 146 BC. This is the story of Fabius Petronius Secundus - Roman legionary and centurion - and his rise to power: from his first battle against the Macedonians, that seals the fate of Alexander the Great s Empire, to total war in North Africa and the Seige of Carthage. Fabius s success brings him admiration and respect, but also attracts greed and jealousy - the closest allies can become the bitterest of enemies. And then there is Julia, of the Caesar family - a dark horse in love with both Fabius and his rival Paullus - who causes a vicious feud. Ultimately for Fabius, it will come down to one question: how much is he prepared to sacrifice for his vision of Rome? Inspired by Total War: Rome II, the bestselling Total War series, Destroy Carthage is the first in an epic series of novels from David Gibbins. Not only the tale of one man s fate, it is also a journey to the core of Roman times, through the world of extraordinary military tactics and political intrigue that Rome s warriors and citizens used to cheat death.
