

Native American Autobiography Redefined: A Handbook

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

NATIVE AMERICAN AUTOBIOGRAPHY REDEFINED: A HANDBOOK

[DOWNLOAD](#)

Peter Lang Publishing Inc. Paperback. Book Condition: new. BRAND NEW, Native American Autobiography Redefined: A Handbook, Stephanie A. Sellers, Autobiographical stories, widely popular since their creation, are still one of the primary ethnographic and historic sources on Native North American individuals. Many books in this genre, including the famous Black Elk Speaks, have been translated into numerous languages. Native American Autobiography Redefined: A Handbook interrogates critical discussions about Native American autobiographies and challenges their often Eurocentric perspectives: it offers a new rubric for studying the genre, dismantles misperceptions about indigenous peoples, and analyzes in detail a non-biased, Native-centered example of writing about Native American autobiography. This book asks readers to move away from the western cultural notion of 'autobiography' to a Native American cultural perspective of 'communal narrative'. Special emphasis is given to issues of gender bias and to the great disparity between Eastern Woodlands and western culture's perceptions of women.
