For Michael Kingston, that moment was when he first laid eyes on Gabriel. In his life, Michael had only known darkness, leaving behind a broken shell of a man. Unspeakable memories of his childhood constantly plagued him, causing him to disconnect emotionally from the world. No one had ever shown him love; therefore, he believed that he was unworthy of it. And then everything changed. Gabriel Greyson had always been different. Growing up in a small, Bible-thumping town, his preferences for men, makeup, and fashion made him an outcast. But, with the support and love of his family, he overcame obstacles that were thrown his way and rose above the intolerance. He danced to the beat of his own glammed-out drum and refused to believe that he was anything other than ultra-fabulous. Working as a beautician, he had a job he adored and felt that everything was perfect in his life. Everything except for true love. When these two unlikely men meet, sparks fly. For the first time in Michael s life, he feels like he can overcome the darkness inside him. Gabriel gives him hope and slowly brings him out of the shadows, showing him that even the darkest of souls can be redeemed. But there are secrets that Michael keeps locked away. Michael s fear is that Gabriel will turn away from him when he discovers the truth. After all, who could ever love a beast?.
