BEYOND THE NICU: COMPREHENSIVE CARE OF THE HIGH-RISK INFANT: COMPREHENSIVE CARE OF THE HIGH-RISK INFANT (PAPERBACK)

DOWNLOAD

McGraw-Hill Education - Europe, United States, 2014. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. Improve medical and developmental outcomes in high-risk infants with evidence-based management strategies Beyond the NICU is the first book to deliver practical, evidence-based strategies for healthcare providers caring for the NICU graduate during convalescence and after discharge. It is a guide to the successful transition of a high-risk infant from intensive care to the intermediate-level nursery, and then, to help the child thrive outside of the hospital in a home environment. To advance the standard of care of these vulnerable patients, Beyond the NICU draws together clinically focused guidelines to improve patient outcomes and reduce hospital readmissions. Drawing on an international team of respected authorities, Beyond the NICU provides the strategies necessary to ensure the success of convalescing NICU graduates in both inpatient and outpatient settings. Doody s Review!Score: 95/100 Description This is a nearly 1,000-page softcover book written by over 100 contributors on convalescent neonatal care and post-discharge care of the high-risk infant. The format is similar to other neonatal handbooks (Neonatology: Management, Procedures, On-Call Problems, Diseases, and Drugs, 7th edition, Gomella, et al. (McGraw-Hill, 2013); Manual of Neonatal Care, 7th edition, Cloherty et al. (Lippincott Williams Wilkins, 2011)), but it emphasizes transitional care of the sick infant. Purpose The purpose is to provide practical, evidence-based strategiesfor the NICU graduate during convalescence and after discharge. The book functions like a practical handbook for clinicians in the NICU, covering almost all aspects of neonatal care, but emphasizing convalescent care. This is an area that has not been well covered in other neonatal books, and this book meets the objectives. Audience The audience is NICU caregivers at all levels and of all disciplines. The book is written in outline format..
