Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Affordable Care Act is now a reality, and it holds implications for all Americans. If you don't obtain minimum essential coverage, you'll find yourself penalized when you file a tax return, and there are other rules you need to follow regarding income tax. In this guidebook to understanding the ACA--also known as Obamacare--certified public accountant and insurance agent Joseph A. Gabra walks you through what you need to know to make an informed decision about the costs and benefits of obtaining insurance coverage. There's important information for people trying to make decisions about health care, for insurance agents seeking to provide wise counsel to clients, and for those who are self-preparing their own tax return. Learn how to: understand the tax penalty calculation and its exemption; calculate the true cost of health insurance; keep more money in your pocket without breaking any laws. With a glossary of key terms, practical case studies in a question-and-answer format, and key insights about a misunderstood law, this guidebook helps you make critical decisions about some of the most important things in life: your health, the health of your loved ones, and your money.
