Spencer Hill Press, United States, 2016. Paperback. Book Condition: New. 200 x 132 mm. Language: English . Brand New Book. Rosie Clayton witnesses a mugging on her first night in London-and then the scene rewinds itself. She finds herself standing in the same place again, with the mugging happening just like before, except this time a stranger steps in and stops it. The stranger, Albert, and his band of misfit crime-fighters, have a special ability, which allows them to rewind just enough time to undo a recent event. Someone is hunting Albert and his crew- and now that Rosie s been seen with them, she s a target too. Each step into this magical side of London introduces Rosie to a family legacy that she never knew existed, and dangerous forces that could unravel her home in an instant. Reminiscent of Cassie Clare s *Infernal Devices*, Anne Riley s portrayal of contemporary London will envelop readers in a mystic haze as Pull s dynamic cast of characters fills the pages with energy. History is rarely confined to the past - the key is learning to use it before it can haunt you.
